## A MESSAGE FROM THE OVERJOYED ORGANISERS

### "Austrian - Croatian - Hungarian Combustion Meeting – ACH2008"

Hotel Fagus, Sopron, Hungary, October 03, 2008

Dear Friends,

The registration for our Sopron meeting has been concluded with flying success. We have **70** registered **participants** and there are **43** accepted **posters** covering an exciting, wide range of the combustion science and technology. Beside Austria, Croatia and Hungary, there are contributions and participants also from England, France, Germany and Poland.

Further information (final program, travel, etc.) will appear on the conference website and will be sent-out for the registered participants via E-mail on the week of September 22.

We are looking forward to seeing you in Sopron at a successful ACH2008.
